God does not avenge himself. God loves, he does not avenge himself. He waits for us to forgive us, to embrace us. Through the "rejected stones" — and Christ is the first stone that the builders rejected — through situations of weakness and sin, God continues to circulate "the new wine" of his vineyard, namely mercy. This is the new wine of the Lord's vineyard: mercy. There is only one obstacle to the tenacious and tender will of God: our arrogance and our conceit which, at times also becomes violence! Faced with these attitudes where no fruit is produced, the Word of God retains all its power to reprimand and reproach: "Therefore I tell you, the kingdom of God will be taken away from you and given to a nation producing the fruits of it". Pope Francis
