Please Support our Maintenance & Restoration Project

Please support the second collection which goes towards the restoration and maintenance of our beautiful Church.

Not having an office attached to the Church is continually problematic, not least because there is nowhere private for people to see the clergy. In order to partially address this problem, we are going to install a glass partition in the narthex which will mean the area can continue to be used as a shop, and for those who wish to hear Mass, but a glass door will enable it to become a small consultation room. This work will commence on Monday 18 June and should take two weeks.

MASS TIMES

I am sorry that the weekday Mass times have been changing over the past couple of weeks, this is due to Fr. Vincent's other commitments. Please note that this week the Masses on Monday & Thursday will be at 9am, Tuesday 6.30pm; the requiem Mass on Friday will be at 10.00am. As usual, the Church will open at least 30 min before the Mass.

THANK YOU

I am so grateful to everyone who helped to make last weekend such a huge success. Maria & Christina did such an excellent job preparing the children for their First Holy Communion. Due to the hard work of our Parish MC Maria, and the servers, the Masses were beautiful and our first Corpus Christi procession in many years, was a great success. Rosamund & Gaby, and all who helped, put on a wonderful reception for the children and their guests.
