DIVINE MERCY

Sister Faustina:

Today I was in heaven, in spirit, and I saw its inconceivable beauties and the happiness that awaits us after death. I saw how all creatures give ceaseless praise and glory to God. I saw how great is happiness in God, which spreads to all creatures making them happy; and then all the glory and praise which springs from this happiness returns to its source; and they enter into depths of God, contemplating the inner life of God, the Father, the Son, and the Holy Spirit, whom they will never comprehend nor fathom.

This source of happiness is unchanging in its essence, but it is always new, gushing forth happiness for all creatures. Now I understand St. Paul who said, "Eye has not seen, nor has ear heard, nor has it entered into the heart of man what God has prepared for those who love Him".

(Diary 777)

Let us all remain united in prayers and love as one in Our Lord Jesus Christ.
