DIVINE MERCY

"When I come to a human heart in Holy Communion," He said, "My hands are full of all kinds of graces which I want to give to the soul. But souls do not even pay attention to Me; they leave Me to Myself and busy themselves with other things. ... They treat Me as a dead object" (*Diary of St. Faustina, 1385*)

A Girl Gets a Special Gift

The miracle of Bologna, Italy, took place in 1333 in Bologna, Italy, and occurred because a pious young girl of 11 had a burning desire to receive our Lord in the Eucharist. Imelda Lambertini was born of wealth and entered the Dominican convent at age 9. She had a burning love for Jesus in the Eucharist. She wanted to receive Holy Communion but was unable because she was not the required 12 years of age.

The Lord gave her a special gift on the Feast of the Ascension in 1333. While praying, a Host appeared suspended in mid-air in front of her. The priest was called and he gave her Holy Communion. She went into ecstasy and never awakened. She died while receiving her First Holy Communion! Blessed Imelda's incorrupt body lies in the church of San Sigismondo near the University of Bologna. Pope St. Pious X named her Protectress of First Holy Communicants.

We may ask why the Lord gives us these miracles. Perhaps it is to show how present He is in the Eucharist. He desires that all of us, even the lost sheep, come back to the fold and that He loves us, even when we sin. He is the God of mercy and love, and He wants us to share that love and mercy with others. So today, may God bless you and may His Eucharistic love radiate out from you to a hurting world!
