DIVINE MERCY

When the clock struck twelve, my soul immersed itself more deeply in recollection, and I heard a voice in my soul. "Do not fear, My little child, you are not alone. Fight bravely, because My arm is supporting you; fight for the salvation of souls, exhorting them to trust in My mercy, as that is your task in this life and in the life to come". After these words, I received a deeper understanding of Divine Mercy. Only that soul who wants it will be damned, for God condemns no one.
