DIVINE MERCY

MEDITATION

I saw my Guardian Angel, who ordered me to follow him. In a moment I was in a misty place full of fire in which there was a great crowd of sufferings souls. They were praying fervently, but no avail, for themselves; only we can come to their aid. The flames which were burning them did not touch me at all. My Guardian Angel did not leave me for an instant. I asked these souls what their greatest suffering was. They answered me in one voice that their greatest torment was longing for God. I saw Our Lady visiting the souls in Purgatory. The souls call her "The Star of the Sea". She brings them refreshment. I wanted to talk to them some more, but my Guardian Angel beckoned me to leave. We went out of that prison of suffering. (I heard interior voice) which said: "My Mercy does not want this, but my justice demands it." Since that time, I am closer communion with suffering souls.
