DIVINE MERCY

December 25, 1936-Midnight Mass

During Mass, God's presence pierced me through and through. A moment before the Elevation I saw the Mother of God and the Infant Jesus and good Old Man (St Joseph). The most Holy Mother spoke these words to me: My daughter, Faustina, take this most precious Treasure, and she gave me the Infant Jesus. When I took Jesus in my arms, my soul felt such unspeakable joy that I am unable to describe it. But, strange thing, after a short while Jesus became awful, horrible-looking, grown up and suffering; and then the vision vanished, and soon it was time to go to Holy Communion. When I received the Lord Jesus in Holy Communion, my soul trembled under the influence of God's presence. The next day, I saw the Divine Infant for a brief moment during the Elevation. (Diary 844)
