**Souls Who Love Me Dearly**

Today, in Holy Communion, I want to unite myself to Jesus as closely as possible, through love. I yearn for God so ardently that it seems to me that the moment will never come when the priest will give me Holy Communion. My soul falls as if into a swoon because of my longing for God. When I received Him into my heart, the veil of faith was torn away. I saw Jesus who said to me, "My daughter, your love compensates Me for the coldness of many souls". After these words, I was once again alone, but throughout the whole day I lived in an act of reparation. (Diary 1815-1816)
