Covid-19 Route Map: Step 4 Guidance.

Recommended Key Mitigating Actions against Virus Transmission in Churches which should continue post 19th July 2021 include the following:

- Sanitizing hands on entry to churches and before liturgies as in current church guidance reduces risk;
- Ensuring people wear face coverings properly will reduce aerosol or droplet spread;
- Ventilating buildings well remains important;
- Maintaining a good general standard of routine cleaning using usual cleaning detergents is sufficient for regular use;
- It is recommended that Holy Water stoups are NOT refilled;
- It is recommended that the physical Sign of Peace remains suspended;

FIRST HOLY COMMUNION AND CONFIRMATION

Children and Youngsters who are preparing for Sacraments will have their summer holiday break.
We wishing them blessed time of rest.
