COVID GUIDELINES

Practical Guidance for Churches – With respect to the current situation with the Omicron variant it is important to ensure the following points are followed in our churches:

- That people displaying any symptoms of covid-19 should stay at home and not travel to church or participate in person.
- That hand sanitiser is available to those attending the Church.
- Face coverings must be worn by those attending public acts of worship unless there is a genuine exemption or the person is leading worship or participating in a role that requires the mask to be removed for a period of time.
