World Leprosy Day

Sat 28th & Sun 29th January 2023

Over 7 million people are currently affected by leprosy across the world. Evidence shows over 3 million people are living with undiagnosed leprosy Over 4 million people are living with a life-changing disability caused by leprosy. Although curable, many people are unable to access treatment, even though the cure is free. Lepra works to find, treat and rehabilitate these hidden people and promote their rights in India and Bangladesh.
