HAPPY EASTER

The blessings of the resurrection of Jesus are not just meant for the disciples of the first century, it includes all the generations of the past down to our present generation. We have witnessed how resurrection have made a difference in the lives of all followers of Jesus. Resurrection completely altered the course of all the lives of all believers, and this is something we want to show to the world today through our evangelisation that we are capable too of welcoming and allowing Jesus to transform our lives and make it conform to his life. Having witnessed the resurrection of Jesus, now all Christians are reminded

to make EASTER more meaningful so that their baptismal promises will be realised according to the plan of God. Hence, we genuinely anticipate Easter blessings confident that this is a realisation of God's plan. We are all looking forward to live the life of the early followers of Jesus Christ because this is the only way the gates of heaven will be opened to us by Jesus, Mary and Joseph. Happy Easter to everyone! **Fr Tomasz, Deacon John, Deacon Saleem, Deacon Chigbo**

EASTER OFFERING

The Easter offering envelopes are now available. As you know our priests who serve everyday do not receive a salary. They do not receive a cut from the weekly collections. Christmas and Easter are their only sources of income to maintain themselves and make their personal purchases. So, please let us appreciate our priests by giving generously this Easter for their upkeep. Remember Mtt 10.42, whoever gives a cup of cold water to a disciple of Jesus will not lose his reward. May God bless and reward you as you care for His priests.
