**A Word from Father Sebastian**

Dear friends,

St. Wilfrid, born in Northumbria around 634 AD, was a prominent figure in early medieval history who earned the title of the "Apostle of the North." His life was defined by perseverance, zeal, and a profound dedication to spreading Christianity. Wilfrid played a significant role in the Synod of Whitby (664 AD), where he tirelessly championed the unity of the Church, overcoming great difficulties through the power of his spiritual life. He was a great missionary, founding monasteries and schools while preaching the Gospel wherever he travelled.

St. Wilfrid is a model for us, embodying the virtues of courage, resilience, and devotion to God. We are inspired by his example of hard work, excellence, aspiration, achievement, respect, and the ability to thrive. The Catholic Church celebrates his feast on October 12th. As we join all the faithful to celebrate his life, we thank him for his powerful intercession.

**We wish you a happy and blessed Feast Day.**
