Message from Father Sebastian

Feast of Saints Peter and Paul- On this great feast we celebrate Saints Peter and Paul the two inseparable pillars of the Church who beautifully illustrate a new way of being brothers living according to the Gospel. Though both experienced dark moments Peter denying the Master and Paul persecuting believers they became powerful examples of how divine grace and mercy can transform lives. Saint Paul worked tirelessly competing well and finishing the race of faith while Saint Peter made the profound confession of faith acknowledging Jesus as the Messiah. This feast reminds us that being a Christian requires a deeply personal relationship with Jesus rather than just knowing about Him. Furthermore, by celebrating both Apostles together the Church highlights our call to unity showing that our different talents and backgrounds should enrich rather than divide the parish community. As we honour their martyrdom and total witness to Christ let us pray especially for Pope Leo our bishops and our priests and for our own grace to work together in building the Kingdom of God.
