A Word from Father Sebastian

Dear Parish Family Members,

Today's readings emphasize that discipleship is a challenging costly path not an easy one. It requires personal sacrifice and the willingness to face opposition for one's beliefs. Jesus himself declares his mission to set the earth on fire indicating that choosing him will require personal sacrifice. We're warned against a cheap faith one that lacks genuine repentance, discipline, and commitment. True Christianity calls us to submit to a higher purpose turning away from worldly temptations and accepting the scorn that may come with our convictions. Following Christ means submitting to his yoke, turning away from evil, and being prepared to face scorn from others. This path is not without its costs, but we're reminded that these temporary struggles are insignificant compared to the eternal reward of Divine love. The ultimate goal is to embrace this love and share it with the world, regardless of the personal price.

Parish Family Barbecue: Mark your calendars for Sunday 31st August after the 12 o'clock Mass! We'll have our traditional parish family get-together and barbecue. Please bring food to share with friends as we celebrate and enjoy fellowship together.
